

Bridge at Canterbury Bowling Club

What is it?

Bridge is probably the world's most widely played card game and is great for memory and mental stimulation. Give it a try at our friendly club.

Where?

The Club meets in the lounge area of the Clubhouse.

When?

Sessions start at 1.30pm (best to come early) every Tuesday throughout the year (excluding public holidays).

The sessions end between 4.15 to 4.30pm. No need to book, just come along.

How much?

A session costs £3.00 for Club members, including tea and a chocolate biscuit.

Who?

Any Canterbury Bowling Club member may join. Non-CBC members are invited to join as Social Members after initial introductory sessions.

Other things

We play normal contract bridge (NOT duplicate) using the ACOL convention. Sessions run in a very social atmosphere; there is no formal coaching, but plenty of informal help and guidance.

Come as a single or with a partner.

For those who prefer to play duplicate bridge, the Club also hosts a group that meet on Sunday afternoons. Further information from Jane on j.dennett@btinternet.com
