

Snooker at Canterbury Bowling Club

Where?

The Billiard Room is accessed by the dance floor area in the Clubhouse. It has all the balls, cues, chalk etc. ready for you to play.

When ?

The Billiard Room is open for use all year round. However, the prime times for use are on Wednesday afternoons and Friday evenings in the winter months. There is no formal booking system.

How much?

A session costs £1.50 per person. There is no time limit on a session.

The money should be placed in an envelope, sealed, and placed in the green fee box on the bar. Write who you are paying for on the envelope.

Who?

Absolute beginners can play, but it is advisable for them to be accompanied by a more experienced player, or to go to one of the Friday evening sessions where plenty of advice will be available.

Other things

There is no formal dress code.

If there is sufficient demand, there is an optional handicap knockout competition held.

If you want to know which Friday sessions might be good for you to start playing, then contact Alan Cornfoot at alanlasvegasc@aol.com
